

Save Time, Save Money, Save Stress

Make Mediation Work for You

We are pleased to announce the next date in our national Workplace Mediation event series 'Save Time, Save Money, Save Stress'.

28th June 2017 in Bristol

The inaugural CMC Workplace Mediation event was a sell-out success thanks to the contributions of high calibre speakers with unique experiences to share.

Partnering with **Restorative Bristol**, speakers for our June date in Bristol are drawn from: **Tesco Stores, Acas, Shaw Healthcare, Sheffield University, Newham College, Squire Patton Boggs and Restorative Bristol.**

Speaker sessions will include:

- Understanding the barriers to implementing mediation

- Encouraging management participation
- Unsuccessful mediations – turning refusal or failure to your advantage
- Proactively addressing workplace disputes
- The role of mediation in future employment litigation
- A popular interactive session, with audience polling looking at workplace conflict
